

Dragon Boat Rental / Training Sessions Cancellation Policy

If a dragon boat team is wishing to cancel a scheduled training practice due to weather conditions, or for any other reason deemed necessary, simply contact us at 250-765-4536 on or before your team begins the training session. The dragon boat team then can reschedule an alternate training time in lieu of the cancelled booking.

Maximum Sports and Entertainment Ltd. must be given notice of a practice cancellation just before the scheduled training booking occurs (i.e.: 5:29pm notice for a 5:30pm booking). Of course, the more notice the better, however, since weather conditions change minute by minute, we will accept a cancellation up to the last minute. We understand.
